GENERAL INFORMATION

The telephone instrument and equipment remain the property of the company and may be removed at any time for failure to comply with company rules or for nonpayment of bills.

A telephone will be installed at a location mutually agreed upon by the Company and the customer subject to the established service connection charge.

The Telephone Company may change the number of a customer's telephone if the requirements of the service demand it.

Bills are due upon receipt and become delinquent after date shown.

Customers are responsible for the payment of all toll messages originating from their telephone.

Customers are expected to handle the instruments with care, and will be expected to pay for unnecessary damage.

No attachments of any kind may be made to poles, wires, or telephones without approval of the Company.

The Telephone Company assumes no liability for suspension of service caused by accident, weather or other causes.

No binder, holder or auxiliary cover of any advertising nature shall be used in connection with this telephone directory.

If service is interrupted for more than 24 hours other than by the negligence or willful act of the customer, an allowance at the minimum rate for the telephone facilities and class of service affected at the time of the interruption shall be made for the time such interruption continues, after notice and demand to the Company. No other liability shall in any case attach to the Company on account of interruptions of service.

Directories are furnished to customers to facilitate the use of telephone service. The Telephone Company assumes no liability whatever for damages arising from errors or omissions in the making up or printing of this directory. If your listing is incorrect in any way please call your telephone Business Office.

WARNING

EMERGENCY CALLS ON PARTY LINES

Anyone who fails to immediately release a party line when informed that the line is needed for an emergency call to a fire department or police department or for medical aid or emergency service is guilty of a misdemeanor and subject to a $1,000 fine, one year in jail, or both. This also applies to anyone who secures the use of a party line by falsely stating that it is needed for emergency purposes—"emergency" be defined by the law as a "situation in which property or human life are in jeopardy and the prompt summoning of aid is essential."

LEWD LASCIVIOUS OR INDECENT LANGUAGE OVER THE TELEPHONE

Another violation of Arkansas law, punishable by $1,000 fine, one year in jail, or both, is a call made for the purpose of harassment, annoyance or to cause alarm. Anyone who makes such a call or causes a telephone to ring repeatedly, with no intention of conversation, or knowingly permits any telephone under his control to be used for these purposes shall be in direct violation of the Arkansas law.

INTENT TO DEFRAUD

It shall be unlawful for any person to obtain or attempt to obtain, by the use of any fraudulent scheme, device, means or method, telephone or telegraph service or the transmission of a message, signal or other communication by telephone or telegraph, or over telephone or telegraph facilities with intent to avoid payment of the lawful price, charge or toll therefor. Any person who violates any provision of this statute is guilty of a misdemeanor and upon conviction shall be prosecuted.

TYPES OF LONG DISTANCE CALLS

Station-to-Station

Direct Distance Dialed (DDD) calls are station-to-station calls. Call station-to-station if you'll talk with anyone who answers. Rates are lower than for person-to-person calls and charging begins when the telephone you've called is answered.

Person-to-Person (Dial Operator)

Call person-to-person when you wish to talk with a particular person or extension. Tell the Operator you wish to make a "person-to-person" call and give her the Area Code for the city you want, the telephone number, and the name of the person you are calling. Rates are higher than for station-to-station calls. Charging starts when conversation begins with the person you've called.

Collect (Dial Operator)

You can call "collect" if the person or firm you're calling agrees to pay the charge. If you want to make a "collect" call, tell the Operator and give her the Area Code for the city you want and the telephone number.

Conference (Dial Operator)

You can talk with several people in different places at the same time. Dial Operator and tell her you wish to make a conference call.

Mobile, Marine and Overseas Service (Dial Operator)

You can make Local and Long Distance calls to automobiles, trucks, trains, aircraft and boats equipped for telephone service and to practically all the world's telephones. Some Mobile and Marine calls can be completed by dialing, others must be completed by the Operator. On overseas calls, dial Operator and ask for the Overseas Operator and give her the name of the country you're calling.

Inward WATS

Station-to-station Long Distance calls may be made without charge to you to those customers who have inward Wide Area Telephone Service. They offer this service to their customers calling from specific locations. Dial the access code plus Area Code 800 plus the special numbers of customers with this service. To reach Directory Assistance for Inward WATS dial the Access Code plus Area Code 800 plus 555-1212.

Time and Charges

Customers, when placing calls, may request from the "OPERATOR" the amount of time charged to the call and the costs associated with the call.

Bill to the Third Number

Customers may place calls and transfer the charges to another telephone, subject to verification by the operator. This service requires "OPERATOR" assistance. The call may be either station-to-station or person-to-person.

Credit Card

A telephone credit card is a convenient way of making Long Distance calls when away from home. All calls placed using your credit card will be charged to your home or business telephone number. To apply for a credit card, call our business office.

Coin Calls

From coin telephones, see the instruction card on or near the telephone, or dial "OPERATOR".

DIRECT DISTANCE DIALING

With Direct Distance Dialing (DDD), you can dial your own station-to-station long distance calls. To make Direct Distance Dialing possible, the nation has been divided into more than 120 geographic areas. Each area has its own three-digit "Area Code," (see map on Inside Front Cover).

You probably can obtain the area code of the place you are calling by checking the map. If the map does not clearly show the area code you want, and it is not listed in the introductory pages of your directory, call the operator and she will give you the area code.

You can dial direct to almost any telephone with a seven-digit or a two letter, five-digit number.

FROM ALL TELEPHONES
(Except Coin Telephones)

When dialing station-to-station calls.

within the 501 area Dial 1 + seven digit telephone number

outside the 501 area Dial 1 + area code + seven digit telephone number

After you have dialed the number an operator may be connected with you momentarily, and request the details necessary to complete your call, such as your telephone number if you are on a party line or made an error in dialing.

When dialing person-to-person, collect and credit card calls

with the 501 area Dial "O" (OPERATOR)

outside the 501 area Dial "O" (OPERATOR)

After you have dialed "O" an operator will answer and request the details necessary to complete your call. Give the operator your special instructions as follows:

For person to person calls — say "person to person" and give the operator the name of the person you are calling, and the number you are calling.

For collect calls — say "collect" and give your name, and the number you are calling.

For credit card calls — say "credit card call" and give your credit card number

HOW TO GET OUT-OF-TOWN NUMBERS

If you do not have the number in the city you are calling, dial 1 plus the Area Code of the town you wish to call, then dial 555-1212. If the town you wish to call is within the 501 Area you need not dial the Area Code. There is no charge for these calls.

HOW TO REACH WATS DIRECTORY ASSISTANCE

Dial "1" where required, then Code "800" plus 555-1212.

ALASKA, HAWAII, CANADA, MEXICO AND OVERSEAS CALLS

The operator can provide you with station-to-station and/or person-to-person rate information.

YOU WILL NOT BE CHARGED

- If you hang up before the complete number is dialed.
- If the phone you called is busy or does not answer.
- If you reach a wrong number. (Dial the Operator immediately.)
- If you call Directory Assistance in another city.

IF YOU NEED HELP

If you are cut off, encounter difficulty in hearing or experience any other trouble, just dial "Operator" and report it to her. She will be glad to help you.

Rates are those in effect at the time this directory was closed for printing and are subject to such changes as may be made from time to time. Discounts are applied to the total charges for direct-dialed station-to-station calls. For operator-assisted calls, discounts are applied only to the charges for additional minutes over the first 3 minutes. Charges are based upon rates in effect at the time of connection at the calling point. This also includes calls beginning in one rate period and ending in another.

Alaska, Hawaii, Canada, Mexico and Overseas Calls: The operator can provide you with station-to-station and/or person-to-person rate information. Your operator will be glad to provide rates to points not listed above.

On New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day evening rates apply from 8 a.m. to 11 p.m. Night rates apply from 11 p.m. to 8 a.m. If the holiday occurs on Saturday or Sunday, night rates apply up to 5 p.m. Sunday. This does NOT include Alaska and Hawaii.

AREA CODES FOR FASTER LONG DISTANCE CALLING

Even on calls you must place with the Long Distance Operator, the area code will help you get them through faster. Just give her the area code if it is different from the one for the phone you are using, and the telephone number you want. For example, say "Area code 311, 555-2368." If the Operator needs to know the place name, she will ask for it.

AREA CODES FOR SOME CITIES

Dial 1, then dial the Area Code, followed by the telephone number.
Directory Assistance for all points can be reached without charge by Direct Distance Dialing. Dial 1, then the proper area code and 555-1212.

If it's furniture just turn to "Furniture" in the "F" section. Look over the list of furniture dealers and then pick the dealer whose message, location, brand names, or other features appeal to you.

Whether you need a plumber or a florist, a TV repairman, a moving van, or any other product or service look under the appropriate heading . . . and you'll find them fast in the Yellow Pages.

When you want to

FIND A FIRM WHOSE FULL NAME OR ADDRESS YOU'VE FORGOTTEN

If, for example, you have forgotten the name of a real estate company you want to call but remember the address, check the listings under "Real Estate" until you come to the address and you'll recognize your firm.

Perhaps you can remember only part of the name . . . that "Suburban" is in the firm's name. Look through "Real Estate" listings and you'll, no doubt, quickly recognize the full name of the company.

If you want to know who handles "Britescreen Television Sets" just turn to "Television Dealers" in the Yellow Pages and look for "Britescreen Television" in alphabetical order, with Britescreen dealers listed under it.

When you want to

FIND FIRMS OFFERING SPECIAL SERVICES

Need a tow truck in the middle of the night? Or a plumber or furnace repairman? You can find them fast in the Yellow Pages.

You can find out which restaurants are open on Sunday, where to get an ambulance or chartered airplane, rent a post hole digger or a wheel chair. A look in the Yellow Pages can answer a lot of questions, save a lot of time and trouble.

EVEN WHEN YOU KNOW THE NAME — YELLOW PAGES CAN HELP

Let's say, for example, that you want to call the National Hardware Store. You can find "National" under "Hardware" in the Yellow Pages faster than going through the "N" pages in the regular white alphabetical pages.

Remember, to the caller, there is no such thing as an unimportant telephone call. Otherwise, he wouldn't have taken the time and trouble to call you in the first place.

"I USE MY KITCHEN TELEPHONE A LOT—"

"It lets me watch my cooking while I make and receive calls...it's a real step and trouble-saver, too."

Enjoy a Phone in Your Kitchen, too!

When furnishings are scrubbed "steamed" or shampooed

or when "do-it-yourself" sudsed powdered or sprayed

much or all of the clinging, greasy grime goes deeper,

to breed germs and to seep back to resoil the surface.

When **Duracleaned**, soil comes *OUT*

Laboratory tests showed scrubbing took out only 46% as much soil as Duraclean. Do-it-yourself ways removed less or NONE.

Leading carpet and furniture makers recommend Duraclean Craftsmen to take the soil OUT and to prolong the life of the fabrics and carpetings they make.

GUARANTEED BY PARENTS' MAGAZINE
REFUND OR REPLACEMENT TO CONSUMER BY IF PRODUCT OR PERFORMANCE IS DEFECTIVE & REPORTED WITHIN 30 DAYS OF PURCHASE

Editorial pages in House Beautiful, Parents' Magazine, House & Garden, McCalls, commend Duraclean.

No soaking or scrubbing. Dull colors revive . . . pile rises . . . fabrics enliven.

7 ON-LOCATION SERVICES

include: soil retarding, moth-proofing, replacing carpet tufts, fire resistance, control of carpet static, stain removal. Worldwide.

How to get things done easily and quickly when you're away

Use Public Telephones to:

- **make appointments**
- **notify others of changes in your plans**
- **make "peace-of-mind" calls to your home or office**
- **chat with friends, relatives, business associates**

"I USE MY KITCHEN TELEPHONE A LOT— "

"It lets me watch my cooking while I make and receive calls...it's a real step and trouble-saver, too."

Telephone calls used to be a scream. But today, a normal voice will do. The difference is improved transmission—better ways to get your voice from here to there. Simply talk in a normal tone of voice into the receiver and your words will go a long way.

Telephone calls used to be a scream. But today, a normal voice will do. The difference is improved transmission—better ways to get your voice from here to there. Simply talk in a normal tone of voice into the receiver and your words will go a long way.

When you're in need of a telephone, remember that public telephones are at your service.

WHAT WOULD YOU DO?

Forgotten the name of a business firm recommended to you?

A look in the **YELLOW PAGES**, under the heading that helps describe the type of business, will help you recognize the firm's name when you see it.

"I USE MY KITCHEN TELEPHONE A LOT—"

"It lets me watch my cooking while I make and receive calls...it's a real step and trouble-saver, too."

Enjoy a Phone in Your Kitchen, too!
